COMMUNITY ALERT

Neighborhood 9 – 10 August 28, 2006

During the month of August over a period of three weeks there have been eight thefts of copper downspouts and fixtures stolen from the exterior of homes in the Peabody and West Cambridge neighborhoods. In addition there has been a rapid increase in the theft of copper city wide from companies, stockyards and renovation sites. This is largely due to the price of copper.

All citizens are asked to be alert for this suspect or any other suspicious individuals in this area and to call 911 if observed.
